MEMORANDUM FOR: General Cabell

This morning General Lewis asked to see the material supporting the statement in the Annex to the Special Estimate, concerning Soviet operations of the same nature in the recent past. After checking with Mr. Bissell's office, we loaned them the attached memorandum, and were told on its return that it had been shown to Gen. Collins and perhaps used in his briefing of Admiral Radford.

Accordingly, if you have not already seen the attached, you may wish to have it now. It should be returned to Mr. Bissell's office.
